Ocean Rigging 2008

Happy New Year! From everyone here at Ocean Rigging. 2008 is here and we are all looking forward to another great year on the water, Spring is always VERY BUSY, and

Ocean Rigging's New shop at Norwalk cove marina. With 90ft long bench!

seems to start earlier every year, we have a host of new Yachts to commission and a large number of winter projects, Any Spring work should be

booked in early, We are authorized dealers for just about anything you can imagine, with our new office and shop facilities we can handle any project from small day sailors to mega yachts.

WINCH SERVICE IS CRITICAL, all winch manufacturers recommend full break down service AT LEAST ONCE A YEAR, our experienced riggers have serviced thousands of winches.

WE HIGHLY RECOMMEND mast TUNING, increases the longevity of your mast and rigging and improves performance, particularly upwind

If you are in the area, we invite you to, please come and visit our new facilities, we can accommodate any projects, either in our shop or in our fully equipped mobile workshop

IMPORTANT!!

PLEASE INDICATE LAUNCH DATE
